

## 5. European Industry and Research Exchange on

### “Impact of the pandemic on the future development and use of Technical Textile”

30 September 2021, online event

09:00 to 16:00	5. European Industry and Research Exchange – EUTT.net
from 08:30	Login and technical checkup
09:00	<p>Opening and welcome by the organizer</p> <p><b>Lutz Walter</b> The European Technology Platform for the Future of Textiles and Clothing (ETP), <b>Belgium / EU</b></p> <p><b>Johannes Diebel</b>, Forschungskuratorium Textil e.V. (FKT), <b>Germany</b></p> <p><b>Markus Regenstein</b>, Chairman: Technical Textiles department and board member at IVGT e.V., <b>Germany</b>, CEO Penn Textiles Solutions, <b>Germany</b>, CEO, Penn Italia, <b>Italy</b></p>
09:10	<p><b>Keynote:</b> Textile research after Corona – are we doing the right thing?</p> <p><b>Yves-Simon Gloy</b>, Partner + Enabler at Gherzi Germany GmbH – Member of Gherzi Textile Organisation, <b>Germany</b></p>

You can enter questions in the chat that will be put to the speakers in the Q&A at the end of each session. Please switch video and mute your microphone off during the presentations.

Session 1	<p><b>Digitalization in Research and Production from ERP to IoT and AI</b></p> <p><b>Chair: Bruno Mougin</b>, EU-TEXTILE2030 – World Class Cluster – Advanced Textile Materials, <b>EU</b>, Project Manager at TECHTERA, <b>France</b>, Vice Chair of the CONTEXT network, <b>EU</b></p>
09:30	<p>AI-supported textile manufacture and development - Speeding up the textile chain.</p> <p><b>Alexandra Glogowsky, Lennart Hellweg</b>, Hochschule Niederrhein – University of Applied Sciences, <b>Germany</b></p>

## 5. European Industry and Research Exchange on

### “Impact of the pandemic on the future development and use of Technical Textile”

30 September 2021, online event

09:45	Reduce lead time and time to market while optimizing costs. <b>Ronen Hagin</b> , CEO Datatex AG, <b>Switzerland</b>
10:00	Reduction of quality deviations and increase of cost efficiency. <b>Lukas Hartmann</b> , CEO Intex Consulting GmbH, <b>Germany</b>
10:15	AutoNoM: On-Line AI-driven optimization of the nonwovens production. <b>Ruben Kins</b> , Institut für Textiltechnik der RWTH Aachen University (ITA), <b>Germany</b>
10:30	Session 1: Questions – Answers – <b>Chair: Bruno Mougin</b> <b>Alexandra Glogowsky, Lennart Hellweg, Ronen Hagin, Lukas Hartmann, Ruben Kins</b>

You can enter questions in the chat that will be put to the speakers in the Q&A at the end of each session. Please switch video and mute your microphone off during the presentations.

<b>Session 2</b>	<b>Fibres - Nonwoven – Filtration and Innovative Technologies</b> <b>Chair: Aldo Tempesti</b> , CEO TexClubTec and Sistema Moda Italia – Federazione Tessile e Moda (SMI), <b>Italy</b>
11:00	Fine Dust Separation with Industrial Filter Media. <b>Peter Harfmann</b> , Lydall Gutsche GmbH & Co. KG, <b>Germany</b>
11:15	RadiciGroup, a journey from spunbond to medical garments to meltblown for filtration media. <b>Enrico Buriani</b> , RadiciGroup Advanced Textile Solutions, <b>Italy</b>

## 5. European Industry and Research Exchange on

### “Impact of the pandemic on the future development and use of Technical Textile”

30 September 2021, online event

11:30	Reuse of surgical masks and FFP2 after sterilization. <b>Olivier Jolois</b> , Centexbel, <b>Belgium</b>
11:45	Latest innovations for sustainable nonwovens (biobased, light weight, recycling material). <b>Simon Fremeaux</b> , CETI - Centre Européen des Textiles Innovants, <b>France</b>
12:00	Session 2: Questions – Answers – <b>Chair: Aldo Tempesti</b> <b>Peter Harfmann</b> , <b>Enrico Buriani</b> , <b>Olivier Jolois</b> , <b>Simon Fremeaux</b>

<b>Session 3</b>	<b>Research in Teams – Resilience of Development+Produkts+ Circularity</b> <b>Chair: Johannes Diebel</b> , Forschungskuratorium Textil e.V. (FKT), <b>Germany</b>
12:30	Post pandemic in textile: innovative global value chains and cross-sector innovation. <b>Enrico Venturini</b> , CEO, Next Technology Tecnotessile, <b>Italy</b>
12:45	The RESERVIST project. <b>Frederik Goethals</b> , Centexbel, <b>Belgium</b>
13:00	Conceptions for collaborative product development. <b>Heiko Matheis</b> , Deutsche Institute für Textil- und Faserforschung Denkendorf (DITF), <b>Germany</b>

## 5. European Industry and Research Exchange on

### “Impact of the pandemic on the future development and use of Technical Textile”

30 September 2021, online event

13:15	Glaukos – Circular solution for the textile industry. <b>Tanja Meyer</b> , Bio Base Europe Pilot Plant, <b>Belgium</b>
13:30	Session 3: Questions – Answers – <b>Chair: Johannes Diebel</b> <b>Enrico Venturini, Frederik Goethals, Heiko Matheis, Tanja Meyer</b>

You can enter questions in the chat that will be put to the speakers in the Q&A at the end of each session. Please switch video and mute your microphone off during the presentations.

<b>Session 4</b>	<b>Post-Pandemic Action, Strategies, Skills and Future Technologies</b> <b>Chair: Enrico Venturini</b> , context – European Network to connect research and innovation efforts on advanced Smart Textiles, <b>EU</b> , CEO Next Technology Tecnotessile, <b>Italy</b>
14:00	Analog and virtual education in the field of technical textiles – trends and visions. <b>Jacqueline Lemm</b> , Drees & Sommer SE, <b>Germany</b>
14:15	Sustainable business transformation as criteria of quality in textile supply chain. <b>Daniela Zavec</b> , TITERA technology consulting., <b>Germany</b>
14:30	Fog and Dew Harvesting textile architecture to face the hydric crisis Development of smart meshes enhancing the harvesting system to an efficient and nature-based solution. <b>Maria Giovanna di Bitonto</b> , Politecnico di Milano – Textile Architecture Network Group, <b>Italy</b>

## 5. European Industry and Research Exchange on

### “Impact of the pandemic on the future development and use of Technical Textile”

30 September 2021, online event

14:45	User centered design of technical textiles for (post-)pandemic air diffusion using 4D textiles. <b>Hannah Kelbel</b> , Institut für Textiltechnik der RWTH Aachen University (ITA), <b>Germany</b>
15:00	Session 3: Questions – Answers – <b>Chair: Enrico Venturini</b> <b>Jacqueline Lemm, Daniela Zavec, Maria Giovana di Bitonto, Hannah Kelbel</b>
15:30	Summary and review of the day <b>Karine Wallois</b> , International Business Manager of CLUBTEX <b>France</b>

For registration and additional information for the login to the digital conference room, as well as access to the download of the presentation after the event visit:
